ATTENTION GOLFERS: Westport Golf Club is currently in a transitional growing period. The cold weather has set the golf course back about 2 weeks. There are 5 greens that are very slow in growth. We believe this is due to bad drainage. The proper steps are going to take place within the next couple of weeks to address this problem. Westport Golf Club reassures its customers work is being concentrated in the areas needed to make the course better than ever. All greens have been aerified, sanded and fertilized. The fairways have also been fertilized which will bring the course a nice lush look!!! Before too long we will be in tip-top shape.

Thanks. The Staff at Westport Golf Club

NEWS FROM THE LAKE NORMAN COVEKEEPERS

East Lincoln Volunteer Fire Department South Pilot Knob Road
(south of the intersection with Hwy. 73)

The Lake Norman Covekeepers will meet at **7:00 p.m. on June 23** (fourth Thursday of the month). This meeting will be devoted to our upcoming Secchi Dip-In project. David Merryman, the Catawba Riverkeeper, will discuss the activity in detail, describing proper technique as well as the data collection procedure. We will then make plans for carrying out the activity during the prescribed three-week time period. Please don't miss this opportunity to be a part of an international effort to improve the quality of our water! For more information, contact Ben Benoit (704-489-6249).
