WESTPORT GARDEN CLUB YARD OF THE SEASON

Our winner for "Yard of the Spring Season" is **Maxine Ray, 8065 Fairfield Forest Rd!** Maxine had a secret this spring for late blooming daffodils that added just the right splash of color to all her azaleas. She has a lovely garden both front and back so that when you view her property from the golf course you

also get a taste of her delightful variety of plantings. Many of her show pieces are like old friends and have been with her for years. She moved them from her home in Maryland and has lovingly tended them here until their adaptation was complete. All her days of hard work are certainly evident so keep watching her garden because there is always something blooming!
